Yesterday was December 31st ; Another year is ending.. with both hard but also magnificent moments, complicities, friendship and all the rest !

Now a new one is just starting...

What has 2012 got in store for everyone ?? ;)

This is a mystery ...

Anyway !

I wish you all, - whoever you are (pupils from the 1 L 1 or still foreign persons to our high school) to begin this year with Happiness, Enjoyment, Friendship, Love, Complicity and Money(Silver) on the programme !

Not to mention Good health !

In brief « I wish you all the happiness of the world » (singing !) :D

With all my Best Wishes of Happiness ;)

Lucile
